

TOWN OF WESCOTT

WEIGHT LIMITS ON TOWN ROADS

This is just a reminder, that the Town of Wescott will be enforcing the spring weight limit of 6-ton gross load for a single-axle vehicle and 10-ton gross load for a tandem-axle vehicle on **all town roads** beginning Saturday, **March 15, 2010 through April 15, 2010**. Signs will only be posted on the more heavily traveled roads, but the **weight limits apply to all town roads**. If you have any questions, please contact the town road foreman at 526-9852 (weekdays before 7:00 a.m.) or the town chairman at 526-9853 ext #2.
